LCD7-METAL-FRAME

LCD7-METAL-FRAME IS A METAL ENCLOSURE FOR OLINUXINO LIME OR LIME2 WITH 7" LCD WITH OR WITHOUT TOUCHSCREEN

LCD7-METAL-FRAME is an easy-to-assemble metal frame-box where you can fit A10 or A20 OLinuXino LIME or LIME2 with 7" LCD with or without touchscreen. As you can see on the pictures this frame is very easy to attach to any flat surface making it perfect for Man-Machine interface solutions. On the back side all connectors of OLinuXino LIME are exposed and available. Note that the LCD and OLinuXino boards are not included in the price above and must be ordered separately together with LCD cable.

FEATURES
