

Part Change Notice: CE2 Series Packaging Change

JAE will modify the inner packaging for the CE2 Series connectors by removing the desiccant that was previously included. Below is a list of part numbers that are affected. Temperature and humidity testing has been conducted to ensure there is no degradation of the products due to the packaging changes. The dimensions of the packaging and connectors are unchanged.

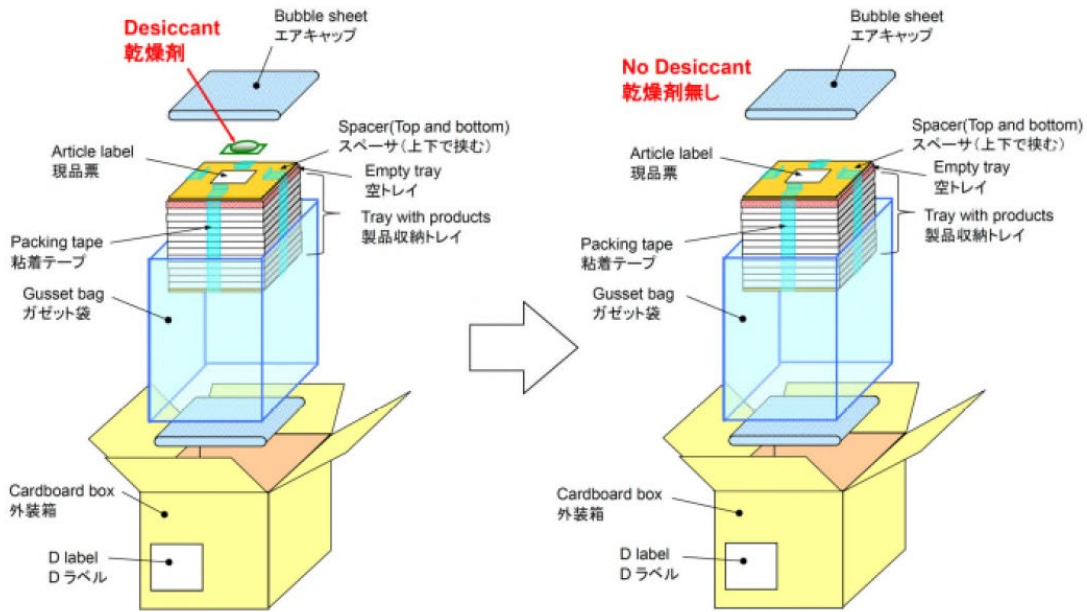

1. Applicable Product(s)

See applicable items below:

Part Numbers
CE2A101Z00
