Introduction of New Equipment for Mirror Coating and Harmonization of Blue Laser Mirror Technology

Objective	<ul style="list-style-type: none">• Introduction of new coating equipment to ensure supply chain and delivery accuracy due to end of life of current coating equipment A• Harmonization of blue laser mirror technology	
Products affected	PL 450B; PLT5 450B	
Application	Industry; Consumer	
Realization	Please refer to 2_cip_OS_IN-2017-021	
Time Schedule	Qualification report	available
	Samples available	yes (PL 450B)
	Production release	July 2017
	Start of delivery	Dec. 2017*
		*both mirror types are mixable
Reliability	Please refer to 3_cip_OS-IN-2017-021	
Assessment	No change in physical dimension or electro optical properties No change in substrate material. No change in data sheet	

Please direct your inquiry to your local Sales office.
