Description of Changes

Customer Notification on Raychem Brand Adaptors. TE Connectivity is optimising the supply chain for its Connector Accessories product line to improve manufacturability and customer service. Product feature optimisation will mean that there will be some minor dimensional differences on some adaptor codes, these dimensional changes will remain within the current and existing customer drawing. On some adaptors there will be some dimensional differences outside the current and existing customer drawing. All adaptor designs affected by dimensional changes are documented in the attached spreadsheet All Adaptors affected by dimensional change meet the current performance requirements. TE reserve the right to supply both designs during a 6 month transition period. TE will not mix the two designs within a single line item on any order but may mix the designs on different line items on any order
