Packaging specification change

We are writing today to inform you that we will make some changes as shown in the subject for the reason described below.

We request that you kindly offer your consent to this matter.

1	Products affected	ER8 Series (Please refer to Attachment1 for details.)
2	Replacement product	No change in product code and product name.
3	Classification of change	Packaging specification change
4	Changes	The specification of the packing box is changed. Please refer to Attachment 2 for details. This change will not affect the performances of the products.
5	Reason for change	Space saving by compact size. -Adequate cushioning material is provided to fill the space inside of the box. (per ISO4180:2019)
6	Timing of change	Starting from March 1 2023, we will begin using the new packaging once the original packaging inventory has been depleted.

If you should have any questions, please feel free to contact a Hirose business representative.
Your understanding and cooperation are highly appreciated.
