Dear < Customer FSE Last Name>,

Subject: Obsolescence of Select Limit Switch and Safety Switch Product Series

This is to inform you that effective June 28, 2019, Honeywell will no longer offer the LN, LZ, PD, GKR/L, GSC, GSD, and GSE Limit and Safety Switch product lines. A last time buy is being offered for the affected product lines. Please refer to the Timeline of Events shown below for more details. Honeywell does not offer a direct replacement for the retired products, however many other switch product series are available in the Honeywell portfolio. For long term business planning, we are requesting that our customers find an alternative solution in any current or new application.
