

Product Discontinuation Notice

Dear Valued Customer,

This letter serves as formal notification that E-T-A will discontinue the 8330 series as of 12/5/22. Due to circumstances surrounding the discontinuation of the 8330 there will be no LTB opportunity.

Discontinued Part	Suggested Replacement
8330	3130 for single pole applications, contact E-T-A for details

E-T-A appreciates and values our business relationship. We are committed to working directly with you to manage through this product discontinuation and look forward to working with you on future product requirements.

Please contact your E-T-A Regional Sales Manager if you have additional questions.

Best Regards,

John Guetens
