

# EOL Information April 2016

## Obsolete products –RACD12 Series

Dear customers,

We herewith inform you about the following product series being made obsolete, the RACD12 series of LED drivers.

Art #	Obsolete Products	Replacement Product (230Vac input)
<b>21000122</b>	<b>RACD12-350</b>	<b>RACD12-350-LP</b>
<b>21000123</b>	<b>RACD12-700</b>	<b>RACD12-700-LP</b>
<b>21000154</b>	<b>RACD12-500</b>	<b>RACD12-500-LP</b>

We are unable to continue to supply these parts as key components are being discontinued and there are no directly equivalent parts available.

We have sufficient components stockpiled to cover the next six months based on existing sales figures, but if any high volume orders are placed, we may not be able to honour the last buy date. Should individual customers still require any of these products after the last buy date, please contact RECOM for assistance in finding alternatives.

We have alternative products available with 230Vac input only at a lower cost and with a lower profile case (RACD12-xxx-LP series). Please contact your local office for more information.

Issue Date: 18 April 2016  
Last time buy date: 16 Sept 2016  
Last delivery date: 31 Oct 2016

Steve Roberts  
Technical Director  
RECOM Engineering, Gmunden, Austria
