Data Sheet Change:
 Yes No
Attachment:
 Yes No

DESCRIPTION AND PURPOSE OF CHANGE:

Since the IEC 60950 standard is obsolete and will expire on December 20, 2020, Würth Elektronik has submitted its RJ45 with transformers to a re-certification after IEC 62368. The UL file number therefore has changed and will be updated in datasheets and labels.

All products with date code 2020-10-07 and after are affected by this change. The old UL file number is nevertheless still valid until December 20, 2020.

There will be no change in form, fit, function, quality or reliability of the product.

DETAIL OF CHANGE:

The following article numbers are affected by this change:

Article number	Old UL E-file number	New UL E-file number
7499611421	E331896	E472316
7499611420	E331896	E472316
7499631610	E331896	E472316

RELIABILITY / QUALIFICATION SUMMARY:

Product approval is according to the specification and is internally released by the Product Management Department.
