

## Product Obsolescence Notification (PON)

Issue Date: October 2, 2014

PON #: OBS100214OC16

Dear Customer,

Avago Technologies announces the obsolescence of a list of legacy DML packages due to low volume. This obsolescence will apply to the part numbers in the table below.

The key milestones are:

1. Final customer order date by January 6, 2015
2. Final ship date to customer on or before October 6, 2015

Orders are non-cancelable, non-returnable.

Please note that Avago Technologies reserves the right to limit last time buy quantities based on capacity and material availability.

There are no replacement part numbers for these DML legacy packages.

If you have any questions about this obsolescence, please do not hesitate to contact your local Avago Technologies sales representative or authorized distributors.
