Product Change Notification: P-15-011711

PCN Date: 10-JUN-15

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
RayBlock Kits Unit of Measure changes

Description of Changes
This is notify of a Unit of Measure change to the RayBlock product families RBK-105 kits and RBK-85 kits.
Other attachments:
[RayBlock kits Unit of Measure Changes](#)

Reason for Changes:
Document clarification. The original kits were supplied with 1000 applications per kit and each kit had the Unit of Measure (UOM) as 1 piece. Customers were confused by this and orders were received by application quantity rather than the number of kits required. Consequently on many occasions more product was delivered than was actually required. This change is to avoid this ongoing confusion.
