Description of Change: We will change the definition of pocket dimensions of the tape of NTCC200 and NTCC300 series on our datasheets. From 1st of March onwards, the tape pocket dimensions will be specified as “according to chip dimensions” for products of NTCC200/300 series and still satisfy completely IEC60286-3 ed7 (Packaging of surface mount components on continuous tapes).

Classification of Change: The tape pocket dimensions will be specified as “according to chip dimensions” for products of NTCC200/300 series and still satisfy completely IEC60286-3 ed7 (Packaging of surface mount components on continuous tapes).

Expected Influence on Quality/Reliability/Performance: None

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay BCcomponents

Time Schedule:

Start Shipment Date: Wed Mar 1, 2023

Sample Availability: NA

Product Identification: NA

Qualification Data: NA

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Wed Feb 1, 2023 or as specified by contract.
