TRACKING #	PCN-000044	TYPE OF CHANGE	Minor	DATE OF PCN	6/2/2022
DESCRIPTION OF CHANGE	Ordering part numbers retired and replaced by higher bin versions for several Luminus LED series				
DETAILS OF CHANGE					
Dear Customer,					
You are receiving this notification because of an upcoming part number change affecting LEDs that you have purchased in the past 24 months.					
Due to continuous improvements in our product performance, we are retiring some bin kits (ordering part numbers) and introducing new ones with higher minimum optical flux specifications that better reflect the current performance of the product. This is not a discontinuation notice for any of the product affected.					
This document lists the affected ordering part numbers as well as the suggested replacement that should be used for new purchase orders placed after the expiration date stated in this letter. Higher performance options might be available. Please refer to the product datasheet available at www.luminus.com .

REASON FOR CHANGE					
Reflect continuous improvement in product performance and adjust ordering part numbers accordingly.
