

Date: January 10<sup>th</sup>, 2022

## PRODUCT CHANGE NOTICE

Dear Telit Partner,  
we would like to announce the End of Life (EoL) of the LE910C1-ST product variants:

Product Variants	Telit Part Number (PN)
LE910C1-ST	LE910C1ST06T060100
	LE910C1ST06T060600
	LE910C1ST08T080700
	LE910C1ST10T100700
LE910C1-ST mPCIe	LEPCIC1ST08T080700

Telit will follow the schedule reported below during this procedure:

**Built to Order (BTO):** Date of present notification  
From this date, the product will be available upon firm order (not cancellable and not re-schedulable).

**Last Time Buy (LTB):** April 30<sup>th</sup>, 2022  
Orders can be submitted until this date. Acceptance of 'Last Time Buy' orders is subject to product availability and final confirmed quantities will be communicated after LTB date.

**Last Shipment Date (LSD):** July 31<sup>st</sup>, 2022  
Last shipping date that can be requested for scheduled orders, which were placed before LTB.  
Given the current market situation and supply chain constraints, there could be some flexibility to extend the last shipment dates.

**End of Maintenance:** December 31<sup>st</sup>, 2022  
Technical and commercial support for these variants will end on this date.

LE910C1-NF is recommended as an alternative solution.  
If you have any question about the present communication or would like to discuss the best replacement for the product being discontinued, please contact Telit Technical Support or your Regional Sales Representative.

Best regards,

---
