PCN Date: 19-DEC-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

ABC Modules and In-Line Shells

Description of Changes

Dear Customer, as a result for our continuous strive for improving our processes and product, we hereby inform you about a change in definition. This component is procured as is or used in end product procured from TE. The change to be implemented is a shift of marking methods from ink jet marking to laser marking on unplated ABC and ABC type modules and housings. The change is executed by following a strict change management procedure, with an internal evaluation and release based on our specifications. For any additional concerns, please reach out to your TE customer account manager.
