Notice Number	181122-0912	

Reason for Notification:

<input type="checkbox"/> New Product Introduction	<input checked="" type="checkbox"/> Product Transition
<input type="checkbox"/> Customer Requirement	<input type="checkbox"/> Product Discontinuation
<input type="checkbox"/> Quality Improvement	<input type="checkbox"/> Product Enhancement
<input type="checkbox"/> Change of Production Location	<input type="checkbox"/> Other (Brand Change)

Audience	All Advantech B+B SmartWorx distributors, resale partners, and end customers who have purchased the AT&T-Canada version of SmartStart LTE routers.
-----------------	--

Product Notice	<p>The purpose of this Product Notice is to describe the transition from an “AT&T-Canada” version of the SmartStart router (i.e. one that only operates on AT&T, T-Mobile, and Canadian carriers) to a “Multi-carrier” version that operates on all carriers in North America except Sprint.</p> <p>The multi-carrier version is signified by the “-X” in the part number as shown in the table below.</p> <p>Customers who have purchased the discontinued AT&T-Canada version in the last 12 months will be able to purchase the multi-carrier version at their current purchase price through 2019.</p> <p>The “AT&T-Canada” version will continue to be shipped while supplies last.</p>
-----------------------	--

Transition Products	The table below describes the discontinued product and suggested replacement. Replacements are form/fit/function identical, with the additional functionality of multi-carrier support.
