Dear Customer,

Re: Obsolescence notification for Harwin product.

Please be advised that there are a number of individual items that are now obsolete. All of the items are obsolete with immediate effect. Stocks may remain of a few items, but most of these have not been manufactured in some time. Please see the attached spreadsheet for a complete list of affected items (there are two sheets in the spreadsheet, please check both). Here is a summary of affected standard ranges:

- M80-4000000FE-xx-xxx-00-000
- M80-4000000FG-xx-xxx-00-000
- M80-618, M80-619, M80-620, M80-621, M80-821, M80-927, M80-928
- A selection of Datamate Mix Tek in the old numbering system – e.g. M80-4C106F2-04-327 (note, these part numbers can be replicated using the current numbering system, see the attached spreadsheet for details)
- Various Datamate customer specials and development products

Unfortunately, we are no longer able to support these product lines.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Management Team
technical@harwin.com

If you have not been sent the accompanying spreadsheet, please request it from the contact that sent you this letter.
