PRODUCT CHANGE NOTICE

PCN 2012-08
October 30, 2012

Product: CF2 (Carbon Film Resistor – 2Watt).

Change From: Bulk package lead length of $30 \pm 3\text{mm}$ (1.18 ± 0.12 inches).

Change To: Bulk package lead length of $34 \pm 4\text{mm}$ (1.34 ± 0.16 inches).

Explanation: Longer length provides greater flexibility.

Effective Date: Effective immediately for new production. Some inventory of the previous specification may be shipped until it is depleted.
