

Specification Sheet

Part Number: PP110C5E24JJ

Category 5e Jack to Jack 24 Port Patch Panel, 1U, Black, 1/box

Article Number

853-20076

Type

PP110C5E24JJ

Color

Black (BK)

Features & Benefits

- To ease installation, panels are offered with Rack-Snap inserts which dramatically reduce installation time as they eliminate the need for tools and cage nuts in standard EIA-310-D standard racks or cabinets with square holes.
- Write-on labels provided for easy identification.
- Clear plastic channel protects PCB and allows easy viewing of wiring label.

Quantity Per

box

Product Description

The HellermannTyton Category 5e AlphaSnap line of patch panels is the ultimate in patch panel technology. The panels are equipped with individual, fully modular printed circuit boards (PCBs). Rather than replace the entire panel, each port can be individually removed and replaced if damaged during installation. AlphaSnap panel is equipped with a rear cable manager. ETL tested and approved for Category 5e Channel performance.
