

TRANS-TECH UPDATE

March 8, 2023

Dear Valued Customer,

Skyworks sent you the enclosed notification on Feb. 16, 2023 detailing the closing of its Trans-Tech business ("Trans-Tech"). This letter is to inform you that Skyworks has extended the deadline for placing a last time buy order of released Trans-Tech products to Aug. 15, 2023, and the last day of operations for Trans-Tech will now be Oct. 30, 2024. Last time buy orders are non-cancellable and non-returnable, subject to available capacity, and treated on a first come, first served basis.

After submitting a last time buy order, Skyworks will inform the customer if we are able to accept the order, and if so, how much of the order. Please note, Skyworks may deliver ordered products at any time before the requested delivery date, regardless of the date requested on the last time buy order.

Please don't hesitate to reach out to your Skyworks sales executive should you have any questions. We value your continued partnership.

Sincerely,

Ken Bynoe
VP Sales, Americas and Europe

Enclosure: Notification Letter dated February 16, 2023

Notice Date: February 16, 2023

Dear Valued Customer,

Skyworks will be closing its Trans-Tech business (“Trans-Tech”), which has provided customers a broad range of advanced RF ceramic materials and components.

The company is offering Trans-Tech customers a 30-day period commencing today to place a last time buy of released Trans-Tech products. Supply will be based on available capacity and treated on a first come, first served basis. If interested, please notify your sales representative.

Additionally, to allow customers the ability to make the best decisions for their own supply chains, Skyworks will provide the option to cancel current orders of unshipped Trans-Tech products within the same 30 days.

Skyworks is committed to providing high-quality products and best-in-class customer support. We sincerely appreciate your understanding and value your partnership.

Sincerely,

Ken Bynoe
VP Sales, Americas and Europe
