MultiModem[®] iCell Intelligent EDGE Cellular Modems MTCMR-E1-xx Models Only

Replacement Models Available

Date: August 26, 2015

I. Summary

Due to the discontinuation of critical components and availability of newer models, the MultiModem[®] iCell (MTCMR-E1-xx) models listed in this announcement are changing status from **Not Recommended for New Designs (NRFND)** to **Near-End-of-Life (NEOL)**. It is recommended that customers transition to the suggested replacement models at their earliest convenience.

To assist you in finding the most suitable substitute product that meets your needs, please contact your MultiTech sales representative immediately. Call us at (888) 288-5470 or +(763) 785-3500, email us at sales@multitech.com or refer to www.multitech.com.

Important Note:

The products listed in this announcement use a 2G EDGE/GPRS modem. Whilst there are several hundred GSM carriers globally, a small number have announced plans to sunset their GSM network, including one of the major North American carriers by approximately January 1st, 2017. Please consult your local carrier(s) and MultiTech sales representative for additional information and product options.

III. Key Dates

Availability of New Ordering Part Numbers: Available now

NEOL Date of Old Ordering Part Numbers: August 26, 2015

Last Time Buy Date: December 18, 2015

End-of-Life (EOL)/Last Time Ship Date: June 17, 2016

Last Time Buy Information

- By December 18, 2015, submit order quantities for guaranteed availability with a Non Cancellable, Non Returnable (NCNR) order of MTCMR-E1-xx products through June 17, 2016.
- MultiTech will be purchasing additional critical components for stocking inventory. These will be available on a first come, first serve basis with a confirmed purchase order that is received by December 18, 2015.

Note: All orders placed for products listed in this announcement require an NCNR agreement. Last time ship dates are negotiable with an NCNR agreement. Please contact your MultiTech sales representative for details and a copy of the agreement.

IV. Stock Rotation

Stock rotation claims will be allowed for sixty (60) days after the product Last Time Ship date.

V. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post NEOL date.

VI. Suggested Action Plan:

To help facilitate the transition to a replacement model, we recommend the following actions be taken:

- Work with your MultiTech sales representative if your company is interested in placing an N.C.N.R. (Non-Cancellable, Non-Returnable) purchase order for any remaining MTCMR-E1-xx devices that you require.
- Forward this announcement to others within your organization who are actively involved in the sale or support of cellular modems.
- Note that the current MultiModem iCell cellular modem (MTCMR-E1-xx) models are no longer recommended for new product designs. These products no longer have a development roadmap, so it is strongly advised to migrate to the “Recommended Replacement” products for long-term availability, support and improved features.
- Notify existing customers who have been using the MTCMR-E1-xx models and have them begin their qualification testing on one of the recommended replacement models. Work with your MultiTech sales representative to ensure the correct model is ordered.
