

PRODUCT CHANGE / END OF LIFE NOTICE

August 1st, 2016

Dear Valued Customer,

We have changed the conductor color code on the 26 & 28 AWG EcoFlex® PUR items from black and numbered (Alpha wire Color code KX) to AlphaWire color code D. This was done due to the difficulty of reading the numbers on the conductors with small overall diameters. For the EcoFlex PUR items listed below, the ones manufactured after 8/1/2016 will have the D color code. Stock manufactured before this date will still be black and numbered.
