

Global Change Notification (GCN)

Product Family	Rast 5 HDR HSG	10657390																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																				
		GCN Number																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																				
Series	91704 , 93002 & 93318 Mentioned parts	October 14, 2014																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																				
		Date Issued																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																				
Reason For Change	Upgrade / Rearrangement Of Tooling / Equipment																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																					
Change Description	<p>In order to meet increase of customer demand 1)New capacity mold develop for 2ckt with 16 cavities. 2)New capacity mold develop for 5ckt & 6ckt with 8 cavities. 3)All the mold will be modified to improve the molding process and tool life. (Insert will be made with anchoring between core and cavity inserts. Hence their will be, the flanges of the postion window as shown below picture.)</p> <table border="1"> <thead> <tr> <th>02 Ckt</th> <th>03 Ckt</th> <th>04 Ckt</th> <th>05 Ckt</th> <th>06 Ckt</th>
