The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The packaging equipment for the named article list needed to be replaced quickly due to technical reasons. As we migrated to a new machine, we also optimized the packaging bag and printing. The change included reducing the entire white side to a partial white, and an optimized layout of printed information. The reduced white color on the packaging provides environmental benefits.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates
