## PRODUCT CHANGE NOTIFICATION

Date: May 23, 2016

Dear Valued Ethertronics Customer,

Due to high demand of the Ethertronics ceramic SAVVI chip antennas, Ethertronics, Inc., will be replacing the existing product(s) see Table 1 below:

Table 1.

<b><u>Description</u></b>	<b><u>Old P/N</u></b>	<b><u>New P / N</u></b>
BT Antenna	M310210 (-1k)	M310220 (-1k)
BT Ant. Demo Board	M310210-01	M310220-01
ISM Antenna	M620710 (-1k)	M620720 (-1k)
ISM Ant Demo Board	M620710-01	M620720-01
GPS Antenna	M830110 (-1k)	M830120 (-1k)
GPS Ant Demo Board	M830110-01	M830120-01
BT Antenna	M830310 (-1k)	M830320 (-1k)
BT Ant Demo Board	M830310-01	M830320 -01
WLAN Antenna	M830510 (-1k)	End of Life (EOL)
WLAN Demo Board	M830510-01	End of Life (EOL)
GPS BT Antenna	M232110 (-1k)	End of Life (EOL)
GPS BT Ant Demo Board	M232110-01	End of Life (EOL)

ethertronics®

SPECIFIC CHANGES:

- Changed Manufacturing Supplier.
- Ceramic SAVVI chip antenna color changed from Sky Blue to White.
- Ceramic SAVVI chip antenna marking color changed from Black to Blue.
- Ceramic SAVVI chip antenna part numbers changed as above on Table 1.

Each of the components new part numbers will be 100% compatible with the original part numbers for each of the components for their physical dimensions and their RF performance.

Expected changes will start in June 2016.

Please contact your Ethertronics Sales Representative or **Jessica Dai** at Ph. **858-812-6044** and they will assist you concerning any requests for samples of the new part numbers for qualification and for any questions or support.

Sincerely,

*Steve Bridgens*
