## PRODUCT CHANGE NOTICE

Effected Part number: WR9QA3000USBC-CIMR6W

Description of change

Update Connector Pinout: add 'A6,A7 : Data signals shorted

Reason for change

In order to serve a wider market where several customers inquired and required shorted pins in the connector, the product was updated to be able to match a wider audience of requirements.

Anticipated (positive/negative) impact on fit, form, function, quality and reliability

it is believed that shorted pins would not adversely effect existing customers who used the unit with un-shorted pins. No impact anticipated.

Scheduled Date for change in manufacturing (Effected date code):12/11/2020. For product change notices in the status Final/implemented, the change has been implemented already.

For any questions about this product change notice, please contact us through our website: <https://en.globtek.com/product-information-request>.

GlobTek's terms and conditions apply and are available at <https://en.globtek.com/terms-and-conditions/>.
