Series	90879, 93003 below mentioned right angled parts	October 29, 2015																																																																																																																																																																																																																																																										
		Date Issued																																																																																																																																																																																																																																																										
Reason For Change	New, Modified, Or Replacement Tooling																																																																																																																																																																																																																																																											
Change Description	<p>On 25/06/2014 GCN # 10642953 was released to implement the change of process/tooling (with reel to reel plating) for 90879, 93003 right angled parts & this change was implemented during Jun 2015. After internal review Molex has made the decision to retain earlier process/tooling (barrel plating) also to have a better flexibility in production. As this was a proven process we do not foresee any risks in implementing this change. Part numbers: 908790003 908791984</p> <table border="0"> <tr> <td>908793492</td> <td>930032760</td> <td>908790003</td> <td>908791985</td> <td>908793492</td> </tr> <tr> <td>930032772</td>
