Method of Identifying Change	Special marking on the product or packaging		

## Before Change

- Cable Construction – HSAL1 Plug to Plug

1 Molex Confidential Information  
© 2016 Molex - All Rights Reserved. Unauthorized Reproduction/Distribution is Prohibited.

## After Change

### Overview

- Molex DG facility will be adding 4 additional automated stations for HSAL1 USB cables based on a Plug to Plug configuration to support 2017. Validation testing has been completed and signed off. These production lines will use the same material as the cables that are already being produced in the Molex DG plant.
- Product Impact
  - This is not a process, material or supplier change – This is just additional capacity increase.
  - No impact to fit, form or function.
- Part Number Impact
  - PN List attached
- PPAP and samples available upon request
