Any previous revisions will not be orderable under this PDN. Products that have already been issued notification of discontinuance will not be orderable under this PDN. LTB orders can only be placed for current production revisions of the product as listed in the table above. Products and accessories associated with the Ventura and Invader families that have no activity in the last 2 years not included in the above table are considered obsolete due to low or no demand in the last 2 years and are not orderable under this PDN. All orders must be received in the MOQ quantities and are subject to availability of supply.

Please provide your Broadcom Sales Office with your lifetime Last Time Buy (LTB) order requirements for the above products no later than the date noted in the table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the LTB Date noted in the above table cannot be accepted.

The last requested delivery date for these orders may not be later than the Last Time Ship (LTS) date noted in the above table. Due to inherent variations in yields, materials and capacity availability, Broadcom reserves the right to ship less than the accepted last time buy order and, by placing the order, you agree the quantity shipped fully satisfies all Broadcom obligation to deliver that product under all committed orders.

All prior communicated minimum order requirements do not apply to last time buy orders of the above products. Broadcom reserves the right to refuse orders or limit last time buy quantities based on commercial considerations.

Broadcom reserves the right to extend the Last Time Ship (LTS) date based on manufacturing capabilities and supply availability.

We recommend discussing replacement product options with your Broadcom sales contact.

Contact your Broadcom field sales engineer or Contact Center (<http://www.broadcom.com/contact>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days. NOTE: Per JEDEC Standard JESD46-C Section 3.2.3; lack of acknowledgment of this PDN within 30 days constitutes acceptance.
