Description of change	<p>PortServer TS MEI P, ConnectPort TS 4x4 and AnywhereUSB TS 44 products have pairs of identical part numbers except for the power plug accessory. They have traditionally been split between a part number for North America and a part number for International (rest of world). As part of the effort to streamline our product offers, we are consolidating the part numbers into one. Certifications are identical on each of the part number consolidations.</p> <p>Please have customers begin ordering the consolidated part numbers immediately.</p> <p>This is an ongoing effort to streamline and consolidate our product offerings to focus on consistent product availability while maintaining our high quality.</p> <p>All LTB purchase orders are NCNR (non-cancellable/non-returnable). Standard warranty policy will apply to all LTB purchases.</p>
