Product Change Notification

TDK Corporation
Communication Devices Business Group
Director, Product Marketing
Harvey Espinoza
Mobile RF Components Division Head
Hironori Sakaki

Thank You for your business and continued interest in TDK's RF Components.

Name of change Lifecycle status change from production to OBSOLETE for the following RF Components.

TDK Part #		Alternative Suggestion	
HHM17166A1			

Purpose

This is an official notice of the production status change for the product mentioned above. This product has been revised to "OBSOLETE". Due to no market demand in the past 5 years, we had to decide to discontinue manufacturing this product.

We apologize for any inconveniences raised by this discontinuation of products, but do hope we will have your kind understanding and your cooperation soon.

TDK will offer a suggested replacement alternative whenever possible. These suggested alternative components may not be 100% the same in electrical performance and mechanical dimensions. The main objective is to provide suitable alternates from the available TDK RF Components Portfolio. Should you have any questions please contact your TDK Sales Representative for additional support.
