EDLC (Electric Double-Layer Capacitors) Product Termination Notice

Dear customer / valued partner,

We have been striving to maintain the quality and stable supply of the following products, but as part of our efforts to improve our business structure, we are in the process of sorting out and consolidating our product lineup. As a result, we regret to inform you that we have decided to terminate our EDLC business and stop manufacture and sale of the following products which we have supplied to you.

We would appreciate it if you would consider switching to alternative products as soon as possible and contact us if you need to place a final order.

We highly appreciate your kind understanding on this matter. We look forward to your continued trust and confidence in our products.

Sincerely yours
