Subject: Select terminal blocks obsolescence

Due to low usage and in order to better utilize the manufacturing capabilities of our factory, we will be obsoleting the following list of products effective March 31, 2009. We will accept orders through November 28, 2008, and all orders must be scheduled to ship by the end of March 2009.

Please plan your purchasing accordingly, and thank you for your understanding in this matter.

Best Regards,

Dan Nigro
Product Manager, Terminal Blocks
