

Product/Process Change Notifications

PCN - 17 012

Release Date: March 24 2017

Product Name:	ExaMAX		
	ExaMAX and ExaMAX PANTHER Connector series		
Product Manager:	David Jiang		
Subject:	Notification of Change with Immediate Effectivity		
Distribution:	Global		
Type of Change:	Documentation Change		
Change Description:	<p>Adding the definition of keep out zone for integrated guide to application specification</p> <p style="text-align: center;">3.5.3 These keep out zones do not affect routing on internal PCB layers.</p> <p style="text-align: center;">Figure 4: Keep Out Zone for Integrated Guide</p>		
Reason for Change:	In order to avoid the PCB trace damaged by metal insert and screw head ,we refine a proposal to add top-side (for metal inserts) and bottom-side (for screw heads) keep-outs to our application specification for customer reference.		
Affected Parts:	See attached affected parts list
