The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

Due to an update to standard DIN EN 60445 and the associated update of the PROFINET Cabling Guideline, the wire color of the FE contact for M12 Power L-coded cordsets will change from gray to pink. The change was implemented into new raw cable purchases effective from mid-December 2020 and will be implemented over the coming months for all available cable cross-sections and qualities. Mixed deliveries may occur during this time.

Stock Status

Can existing stock still be used?	Yes
