

# Product Change Notification

## TE Connectivity

Product Change Notification: P-18-015836

PCN Date: 17-MAY-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

D369

**Description of Changes**

TE has discovered an issue related to the TE D369 connector's ability to consistently meet its altitude immersion performance specification. Since a large amount of customers use these connectors for Cabin applications and don't require such high performance, Product Management decided to downgrade the D369 spec for the existing P/Ns and rename the product as "D369 Cabin". Besides another version called "D369 Harsh Environment", compliant with the initial D369 performance will be released.

**Reason for Changes:**

New specification. Cost gap between "D369 Cabin" of the "D369 Harsh Environment" is quite significant while pricing was already provided to several customers who won't accept any price increase on the products.

**Estimated Dates:**

<b>Last Order Date</b> (Obsolete Parts Only):	<b>First Date To Ship</b> (Changed Parts Only):
	17-AUG-2018
<b>Last Ship Date</b> (Obsolete Parts Only):	<b>Last Date for Mixed Shipments:</b> (Changed Parts Only):
	No Mixed Shipments

**Part Number(s) being Modified:**
