

Product/Process Change Notice

No.	PCN02731	PCN Date	August 1, 2014	Effective Date	Immediate
Title	Replacing MR20H40DF commercial temperature grade part with MR20H40CDF industrial temperature grade				

Approval Notice

This change is effective immediately.

Description and Purpose – Affected Products

To simplify product selection and improve manufacturing efficiency, Everspin will discontinue the MR20H40DF (Commercial grade) and replace it with the MR20H40CDF (Industrial grade). Samples are available now. There are no technical differences between these products other than the temperature range.

Part Number	Description	Replace with	Description
MR20H40DF	Commercial Temp - Trays	MR20H40CDF	Industrial Temp - Trays
MR20H40DFR	Tape and Reel	MR20H40CDFR	Tape and Reel

Material Differences

No material difference.

The MR20H40CDF is identical to the MR20H40DF, except the MR20H40CDF is qualified to meet specifications over the Industrial temperature range, -40 to +85°C.

Package Marking of Products Affected

All affected products are marked with their specific part number as referenced above.
