Product discontinuation

Dear Customer,

We herewith notify you that further production of

“NE2D_RGB_FOV90_F2.7_0.3m FT SE” (**ordering code: 301170065**)

cannot be supported any longer.

Reason is that the underlying technology is nearing its end of life and the total demand has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation to phase out this product.

To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

- Last possible order placement: **September 30, 2022**
- Last possible shipment: **March 31, 2023**
- MOQ pcs **500 pcs**

The quantity which will be shipped will be confirmed after order placement. Due to possible yield variances, a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy.

We advise you to contact our Sales & Marketing team to review the potential replacement products.

For any further questions, please feel free to contact ams-OSRAM team at any time.

Best regards,
