Product Change Notification: P-22-023154

PCN Date: 05-AUG-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Nanonics Productos, Special, Duallobe, 25 Position, Flex Circuit.

Description of Changes
Dear Customer, you are being notified about a Supply Chain change within the listed TE Part Number we supply to you. TE's Change will consist on procuring the Flex Cable from one of our distributors instead of directly from the manufacturer. The manufacturer will remain the same and TE will continue to use the exact same component. This change in the Supply Chain does not affect current Form, Fit or Function.

Reason for Changes:
Dear Customer, we hereby inform you about a non Form, Fit or Function change within TE's Supply Chain. As part of our continuous improvement we decided to procure material from the manufacturer through one of our distributors. This change will not affect the product's design nor performance. No Form, Fit or Function aspects will be affected.
