

Product Change Notification

TE Connectivity

Product Change Notification: E-14-009424

PCN Date: 24-JUL-14

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Advise customer of pending discontinuance of 1445199-1, 1445

Description of Changes

Advise customer of product discontinuance. The following part numbers are being discontinued (obsolete status). If there are suggested TE Connectivity substitute part numbers or alternate part numbers, they are shown below with any significant differences described. Please verify all substitute or alternate part numbers provided are

suitable for your specific application. Drawings are available via TE.com. 1445199-1, 1445199-3 and 1445199-4. Units are not UL or CSA approved.

Reason for Changes:

Discontinuance. Production tooling has worn to the point that components no longer comply with TE specifications. TE has decided to discontinue products rather than investing in new tooling. Units will not be marked with UR and cUR agency approvals.
