Description of change	<p>The Connect SP RS232 product model is being discontinued. The Connect SP MEI (RS232/422/485) will remain active and is the recommended replacement. These products are form and fit identical. The only difference is the additional functionality of the serial port selection of RS232, RS422 or RS485 on the Connect SP MEI models. This is an ongoing effort to streamline our product offerings to focus on consistent product availability while maintaining our high quality of product.</p> <p>All LTB purchase orders are NCNR (non-cancellable/non-returnable).</p> <p>Standard warranty policy will apply to all LTB purchases.</p>
