Reason for Changes:
Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. No PPAP is required for this PCN as they are part of the Fakra Automated Component Changes that TE Tangier is introducing to all Cable assemblies. One PPAP will be submitted once all changes are executed, including the above 1pos Housings.
