Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The following wireless accessories have been discontinued due to end of life. There are no direct replacements to these due to the connector type on the cable. For a suitable replacement please reference the connector style of the device you are using and contact technical support for a suitable replacement.

Due to limited materials, inventory is limited and when stock reaches 0 we will no longer be able to supply these parts.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes
