TCM0403R-900-2P-T210: Change to NRND status

First of all, we would like to thank you very much for your continuous cooperation with TDK and our products.

We'd like to inform you of the life cycle status change of the part listed below, from production to NRND status (Not recommended for New Designs) due to product profitability or other products unification strategy.

Whenever possible we provided a suitable TDK's alternative product as listed accordingly.

In this particular case, product shape, dimensions and recommended land pattern of alternative product are identical.

Details of the change
