

Action Required: LN-X End of Life / Replacement NOTICE

Date: 7/8/2020

According to our records, you have purchased a 22" linear, 1/2" LED pitch, 1" cuttable, LN-X board from LUXTECH in the past.

As experts in engineered LED modules, LUXTECH is dedicated to creating innovative products for natural lighting spaces that will be a catalyst for human health and well-being. In order to maintain this continual innovation, LN-X will now become a Legacy Module.

The last date of sale of LN-X will be 9/1/2020. LUXTECH will still support the LN-X line as required and will maintain stock for warranty replacements.

To ensure a smooth transition, please forward this notice to your engineering team to make sure they can contact LUXTECH regarding suitable alternatives. **Please contact sales@luxtech.com with any questions or concerns.**
