Product Change Notification: P-17-014464

PCN Date: 01-JUN-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
 Champ 050 series connector REC and PLUG

Description of Changes
 Manufacturing location change. Following Part Numbers will be transferred from double source "TSS" and "A-con" production to single source "A-con" production

Reason for Changes:
 Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you we would stop "TSS" source and keep single source "A-con". The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. Both manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
