

Jonard's lineman's pliers are made of heat treated chrome vanadium steel with induction-hardened cutting edges for maximum strength and durability. These lineman's pliers feature the following:

- Ability to cut easily through bolts, nails, ACSR, and many gauges of high strength wire
- Cross hatched knurled jaws to ensure a tight grip
- Rivet design to ensure smooth movement and eliminate side-play
- Thick plastic dipped handles (~0.07") for increased comfort and reduced vibrations while cutting
