Description of Changes

Manufacturing location change. For any orders for an end customer location that is in the Americas, for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico.

Reason for Changes:

Dear Customer, In an effort to improve delivery and service to our customers, TE will modify our manufacturing footprint to better align to our customers region of consumption. As such, any orders for an end customer location that is in the Americas, for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. Any orders with end customer locations in Europe or Asia Pacific will continue to be produced at our TE plant in Suzhou, China. There is no transfer of tooling with this manufacturing location change. TE guarantees that all quality standards, continuity of supply, and form-fit-function of affected products will be maintained. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees performance.
