Details

VersaLogic is discontinuing the Tiger VL-EPM-24EN/EU/SN/SU Single Board Computers. These products are at the end of their 5 year availability guarantee and several key components used on these boards have been discontinued by their manufacturers. There are no second sources or alternates available for the discontinued components.

Customer Impact

These products will be subject to a product transition period, during which pricing and availability will be affected, as described below. Please contact VersaLogic Sales to discuss products that might provide a suitable migration path.

Product Transition Period

VersaLogic will provide a product transition period for these products as follows.

- **Existing Orders:** Orders placed before the date of this product advisory will remain in force and are not affected by this product EOL.
- **Availability from Stock:** Off-the-shelf availability, at current pricing levels, will be maintained through August 30th, 2016.
- **Future Delivery:** NCNR (non-cancelable, non-returnable) orders received on or before August 30th, 2016 will receive guaranteed delivery and current pricing. NCNR orders placed after August 30, 2016 will be accepted subject to product availability at current market pricing. All deliveries must be taken by August 30th, 2017.
- **Product Life Extension Program:** VersaLogic is offering a Product Life Extension Program for this product. Life extension options may be available to provide delivery

through August 30th, 2026. Agreements under this program must be signed by August 30th, 2016. Please contact your VersaLogic account manager for details.
