

PRODUCT DISCONTINUATION

PD-IFC-B9HJ-15

Business Unit	Product Line Code	Type of Change	Action	Date of issue
IFC	BF7	Discontinuation	Notify Distributors and Field	6/5/2015

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Reason for Discontinuation:

The DT (spring-gage) series of Heavycon inserts are being replaced by our PT (Push-in) series of inserts. The improved PT design allows stranded wires with ferrules or solid wires to be quickly and easily inserted, without the use of a tool like the DT. To releases the wires, the orange actuator is an easily defined operating element and isolates the operator from the conductive path.

Warranty Information:

N/A

Stock Status

Can existing stock still be used? Y

Is mixture of stock acceptable? N

Transaction Dates:

Last Buy from Phoenix Contact: 7/1/2015

Last Scheduled Ship from Phoenix Contact: 10/1/2015

PRODUCT DISCONTINUATION

Previous Product	(if applicable)	New Product
		

Should you have any issues with the timeline or content of this discontinuation, please contact Phoenix Contact using the contact information below. Customers should acknowledge receipt of the PD within 30 days of delivery of the PD; provided, however that the failure to acknowledge receipt does not affect the product discontinuation or the effective date thereof.
